Moisturizing and natural looking, never heavy or waxy, Harmer **Covabase** works wonders on enlarged pores, skin imperfections and the tell-tale signs of aging. Our bases provide perfect coverage in shades ranging from palest Opaline to the deep tan of Allspice. Our **Matte Base** contains the same moisturizing ingredients as our covabase but achieves a tender matte finish on the skin. Colors shown are computer generated and are a close approximation. If in doubt, please call for a sample.
